Selection for Best Lawyers 2023 is based on the results of peer-review surveys in which more than 131,000 of the nation's top lawyers cast more than 13 million votes on the legal abilities of lawyers across more than 140 practice areas.

Highlights related to this year's ranking include:

- More than 90 Armstrong Teasdale lawyers across the U.S. were recognized as Best Lawyers, and of those, 21 have been ranked for more than 15 years consecutively.
