ARMSTRONG TEASDALE, LAWYERS RECOGNIZED IN 2023 IAM PATENT 1000

Armstrong Teasdale proudly announces that Partners [Richard Brophy](#), [Daniel Fitzgerald](#), [Erin Florek](#), Michael Gribus, [Christopher Goff](#), [James Heinen](#) and [Michael Munsell](#) have been recognized for their significant [patent](#) work and listed among the 2023 [IAM Patent 1000: The World's Leading Patent Professionals](#). The firm was recognized with a Gold band ranking in Missouri, including nods to the firm's "deep bench of talented, professional patent practitioners" and "top-notch litigators."

The 12th annual edition of the list profiles 1,000 key patent professionals in jurisdictions around the world and is considered the definitive "go-to" resource for those seeking to identify world-class, private practice patent expertise and leading expert witnesses in the U.S. IAM's exhaustive research process was conducted over several months by a team of full-time analysts and involved thousands of interviews with high-profile patent practitioners around the world.

Armstrong Teasdale Intellectual Property lawyers represent some of the world's largest companies across industry sectors and art units in pursuing protection for their most valuable assets and innovations. The firm boasts more than 140 IP lawyers and staff professionals across offices internationally, and has consistently been recognized among the largest IP practices by the American City Business Journals. The team has filed 14,668 patent applications in the last five years, with 2,894 of those originally drafted and filed. Members of the team are also experienced trial lawyers with significant IP litigation and post grant proceedings experience; noncompete and trade secrets lawyers; and copyright lawyers.
