AT GOVERNMENT STRATEGIES ANNOUNCES STRATEGIC ALLIANCE WITH COMPANY GARN IN UTAH

AT Government Strategies LLC (ATGS) is a subsidiary of Armstrong Teasdale LLP. This public affairs, lobbying and consulting group provides full-service government relations and strategic counsel to advance the business objectives of companies, industry associations and other professional entities. ATGS does not provide legal services.

AT Government Strategies (ATGS), a subsidiary of Armstrong Teasdale LLP (AT), has entered into a strategic alliance with Company Garn. The alliance will enhance the existing presence of both ATGS and AT in Salt Lake City and Utah, and also extend the reach of the organizations' involvement in Utah State and local government matters.

Principal Jordan Garn will provide lobbying and legislative services in the West region. Prior to launching his lobbying and political consulting firm, Jordan was a practicing attorney with a prominent law firm in Utah, where he focused on the areas of government relations, litigation, real estate and business law. For more than a decade, he has simultaneously served as owner and principal of Company Garn, executive director of the Utah Hotel & Lodging Association and as a contributing columnist to Utah Policy and Utpol Underground. Jordan graduated from Brigham Young University Law School after completing his undergraduate degree at the University of Utah in Political Science and History.

"Jordan serves a diverse client base and has substantial experience with a variety of advocacy campaigns and strategies," said ATGS President and CEO [Jon Dalton](#). "His legal background and pragmatic approach to public policy, paired with his extensive and trusted relationships with Utah government officials, deepens our capacity to advance the business objectives of our national and local clients."

Jordan Garn joins more than a dozen ATGS professionals across U.S. markets with extensive experience in a wide range of legislative, regulatory and public policy matters.
